

TOWNS WINE CO

Inkwell 2022

Overburg, Western Cape, South Africa

ESTATE

Towns Wine Co. aims to amplify underrepresented voices in the wine industry. The group partners with female winemakers of color to help tell their stories and showcase their talent and regions. Partnering with these winemakers not only promotes diversity and inclusion within the wine industry but also empowers and supports underrepresented groups in winemaking. Subsequently, all proceeds are reinvested back into their partner winemakers to provide them with a reliable platform. This supports the growth of their business and contributes to their economic empowerment, causing positive ripple effects on their families and communities.

WINE

The Inkwell Edition expresses the site of the Overberg with its shale derived, clay-rich soils adding minerality and complexity.

VINEYARD

Soils: Soils range from shale and sandstone to clay and gravel, providing unique growing conditions for different grape varieties. The varying altitudes and exposures also contribute to the diversity of wine styles produced in the region.
